Report on “Ergonomics in Computer Workers and Smartphone Users”

- **Date of Events** : 28/01/2022
- **Day of Events** : Friday
- **Place** : D-106
- **Coordinator of Event** : Mr. Harsh Sharma & Ms. Harshida Chaudhary
- **No. of Participants** : 30 (Civil, Mechanical & Automobile Students)

Brief Note on Event

The Seminar on “Ergonomics in Computer Workers and Smartphone Users” as an Expert by Dr. Indravadan Patel & Dr. Priyal Sisodiya from SSCP, Bhandu was held on January 07, 2022 for First Year students of Computer & Electrical Engineering Department at M. L. Institute of Diploma Studies, Bhandu. It was really a splendid technical exercise to educate the candidates.

Learning Outcomes from Events:

- Students learned about how to design and arranging things that the people and things interact most efficiently and safely.
- Especially the students learned about design and arranging things in computer workers and smart phone users including seating position, gesture posture etc.
