SUMMARY REPORT
(JULY 2023)

STUDENT INDUCTION PROGRAM VISION AND MISSION

- The induction program for the fresh batch of students joining the institute of Diploma Engineering was organized in the month of JULY 2023 with a packed ten days long schedule. The program was designed to take through the fresh students over a typical life at the institute, various courses offered at the institute, various student activities both academic as well as extra-curricular and how the students are groomed over the next 3 years into a complete holistic professional, equipped with all the necessary skills required by the best of the industry.
- The aim of induction PROGRAMMER is to help the students who come from diverse backgrounds to adjust to the new environment and inculcate in them the ethos of the institution. The ten days long induction PROGRAMMER'S objective is to set a healthy routine, create bonding among the students as well as between the faculty and the students. In a way, this period will be used to break the ice and to give a right start to the three year program.

This session, students of 1st semester played an exciting game of Kabaddi. Both the boys and girls teams participated in the game with great enthusiasm and energy. The game was played with great sportsmanship and it was a great sight to see. The teams showed great team spirit and fair play. It was a great opportunity for the students to bond and have some fun. All in all, it was a great day of kabaddi and a memorable experience for all the students.

Session 2
Clean Campus Green Campus

The Clean Campus Green Campus activity was conducted by students at institute. The students organized of events that included cleaning up the campus grounds,, and picking up litter. The students worked together to pick up trash from around the campus.

Zumba Class

Zumba is a form of aerobic dance exercise similar to Jazzercise; its distinctive characteristic is its use of Latin American music and dance rhythms to create a party-like atmosphere in class sessions. There are two versions about the origin of the program's name: one version states that Zumba comes from a Colombian slang word meaning "to buzz like a bee" or "fast-moving"; the second version is that it was chosen arbitrarily as a brand name with a Latin American flavor.

Session 1
training and placement

The training and placement process helps students for their future careers by providing them with hands-on practical training and experience. This helps them to develop the necessary skills required to perform their job roles effectively.

Session 1
Visit at polo forest

The students visited to the Polo forest Sabarkantha it was fun and educational. There are Ancient temples, some still performing their pujas deep within this dense jungle, is itself the larger temple, and the trees themselves are the Gods. The 400 square km area of dry mixed deciduous forest is most lush between September and December after the monsoon rains when the rivers are full, but at any time of the year it provides a rich wildlife experience.
