1. Vision & Mission of Institute

a. Vision

To prepare our students for leadership in their profession and society. To develop the demand driven high class technician. To gain national recognition as first-tier college of diploma studies.

b. Mission

M.L. Institute of Diploma Studies (MLIDS) nurtures the intellectual growth and develops skill of its students and serves the nation through creation, application and dissemination of knowledge and skill relevant to technology, and become one of the premier diploma college and achiever of highest order of excellence in teaching.

At Bhandu, to develop the rural and urban students for leadership in their profession, society and to serves the nation through creation, application and dissemination of knowledge and skill relevant to the technology, M. L. Institute of Diploma Studies a first tier college was established in 2004. MLIDS, Bhandu have easy connectivity with road, rail and air and also located in the center of bunch of cities, i. e. Spice City: Unjha, Milk / Oil City: Mehsana, Historic City: Patan and Copper City: Visnagar. Moreover this green eco-friendly campus was situated near the developing engineering industries hub e.g. Becharaji. The campus is at the middle center of major districts like Mehsana, Patan, Banaskantha, Sabarkatha, Gandhinagar and Aravalli. The diploma institution was established with following objectives:

- To prepare the world class technocrat
- To impart the research for development of eco-friendly viable technology
- To train the manpower according to need of industries
- To identify the hidden strength of students and encourage them to become an entrepreneur
